1 Overview

When using the dataset please cite Hazell, J., J. Herreño, E. Nakamura, and J. Steinsson (2020): “The Slope of the Phillips Curve: Evidence from U.S. States”.

The database contains state-level quarterly inflation rates for sub-categories of the Consumer Price Index excluding shelter for the period 1978-2017. We do not impute regional data on state-level inflation rates.
